

2024 NABL WINTER DRAFT

It is currently before my designated time...can I pick? Only if ALL teams ahead of you have made their picks (can skip STANDBY teams)

It is currently my designated time...can I pick? Yes

It is currently after my designated time...can I pick? Yes

Why am I on STANDBY? Because you missed your pick by 12+ hours

Your Draft is finished if (a) you reach 30 players, (b) you have \$2 or less to spend, (c) you declare that you're done.

Rounds 1-2 are structured to make sure draft keeps moving. Every team has a designated time.

Round 3+ I'll set the schedule depending on who's still picking. Times will be different each day and you might have more than one pick in one day.
